

## **What will I learn in this course?**

Is the Quran organized in any particular order? If so, what is it and is there a purpose behind understanding its organization? How will this impact my recitation of the Quran? These are some of the questions that our next online course, Heavenly Order, aims to address and clarify.

Ustadh Nouman Ali Khan has spent the last 20 years studying the harmony and organization of the Quran and this course is designed to explain the organization of Allah's words in a way that is easy to understand.
